[Issued patents](#)[Applications](#)Semiconductor **disk** device

US Pat. 6256762 - Filed Sep 23, 1998 - Oki Electric Industry Co., Ltd.

Thereafter, the header portion, one sector data and the ECG data are respectively written on the **flash** EEPROM. When written data is **read**, the header portion ...Semiconductor **disk** system having a plurality of **flash** memories

US Pat. 5603001 - Filed May 5, 1995 - Kabushiki Kaisha Toshiba

20A to 20G are timing charts for explaining the sequential **read** cycle of the **flash** EEPROMs provided in the semiconductor **disk** system in FIG. ...Data storage system having **flash** memory and **disk** drive

US Pat. 5860083 - Filed Mar 14, 1997 - Kabushiki Kaisha Toshiba

13 14 the control means, upon receiving a **read** quest from the second storage ... the **flash** memory means from the **disk** and storing the **read**-out data in the ...Method of refreshing **flash** memory data in **flash disk** card

US Pat. 5732092 - Filed Jul 1, 1996 - Mitsubishi Denki Kabushiki Kaisha

1 2 METHOD OF REFRESHING **FLASH** performed on every data **reading** occasion, there occurs such MEMORY DATA IN **FLASH DISK CARD** a problem that the **reading** speed ...Method of performing clean-up of a solid state **disk** while executing a **read** ...

US Pat. 5553251 - Filed Apr 1, 1994 - Intel Corporation

FLASH media 154 includes four types of services: **disk** 160, sectors 162, clean-up 164, and **FLASH** array interface 35 167. **Disk** 160 services **read** and write ...Apparatus for using **flash** memory as a floppy **disk** emulator in a computer system

US Pat. 5473765 - Filed Jan 24, 1994 - 3COM Corporation

The **flash disk** sectors may be in any of a variety of states. ... **Read** Operations 65 Whenever the motor is on and there is no write in progress, a **read** ...Recording/reproducing method and device with supplementary data storage and ...

US Pat. 6445654 - Filed Sep 6, 2000 - Hitachi, Ltd.

Thereby, at reproduction, when it takes much time for **reading** from the optical **disk**, the **reading** is executed in prior to this from the **flash** memory and the ...Flashtoaster for **reading** several types of **flash**-memory cards with or without ...

US Pat. 6438638 - Filed Jul 6, 2000 - OnSpec Electronic, Inc.

Converter chip 40 detects when 5 a **flash**-memory card has been inserted into one ... data **read** from the **flash**-memory card to be written to removable **disk** 76. ...Method and apparatus for error management in a solid state **disk** drive

US Pat. 6295619 - Filed Nov 24, 1998 - Intel Corporation

Sectors 162 also controls the 60 **reading** of data from **FLASH** array 62 via ... and second stored logical sector numbers **instead** of the actual primary and ...**Flash** solid state drive that emulates a **disk** drive and stores variable ...

US Pat. 5459850 - Filed Feb 19, 1993 - Corner Peripherals, Inc.

Description of the Related Art Magnetic **disk** drives have been widely accepted Data is **read** from the **flash** memory as a data word (2 bytes at a time) and ...☞ Stay up to date on these results using [the patents RSS feed on reading flash instead of disk](#).
